### **NEEDED: NEW COATS FOR CHILDREN**

As you can feel, when October leaves begin to change color and fall to the ground, the night and day temperatures also begin to drop. Most of us, in our warm homes, have winter apparel that we then dig out of the closet to protect us against the coolness and the elements. Many in our region, however, lack adequate winter clothing and do not have the means to purchase such. The program tries to meet these needs: The Allegany County Department of Social Services manages the "Safe and Snug" program for NEW coats. Last year over 500 were contributed and used by children and families. If you can purchase a new coat or two, bring them to church. We will see that they get to Social Services promptly.
