Prayer of Confession

Oh God, who is the creator of time, we come to you to confess that we have not been good stewards of your time. We have not stopped long enough to praise you for each new day that you give to us. We have not stopped long enough to help others who are in need. We have not done the work of your hands that you have called us to do. Forgive us, oh God, and allow us to slow down long enough from doing our worldly tasks so that we can be better stewards of your time.

Amen.
