Children's Time

Call to Action:

One: Babes and children cry out for they are hungry.

All: **Oh God, we hear their cries!**

One: Mothers and Fathers seek ways to provide.

All: **Oh God, we see their need.**

One: Who will bring food, water, and clothing?

All: **We will Lord! Yes, we will, God.**

Dedication Prayer:

Lord of all creation, we bow our heads to you in gratitude as you have brought life to this world. We praise you for all the good that you have created and we affirm your unending love for all humanity. God, we have heard the cry of your people for food, water, and clothing and have responded with abundant gifts. We ask that you bless the gifts and the people who have both given and who will

receive. May each person know your great love for them as givers and receivers. Bring life to the bodies who consume these foods and bring hope to their Spirit. May the world know that you, Oh God, reign because of the love that has been shared with the Frostburg Community and the world. We also ask that we continue to give generously in time, talents, and money so that all may come to know You. We pray all of this in the name of the Father, the Son, and the Holy Spirit. Amen.

### **NEEDED: NEW COATS FOR CHILDREN**

As you can feel, when October leaves begin to change color and fall to the ground, the night and day temperatures also begin to drop. Most of us, in our warm homes, have winter apparel that we then dig out of the closet to protect us against the coolness and the elements. Many in our region, however, lack adequate winter

clothing and do not have the means to purchase such. The program below tries to meet these needs:

The Allegany County Department of Social Services manages the “Safe and Snug” program for NEW coats. Last year over 400 were contributed and used by children and families. If you can purchase a new coat or two, bring them to church. We will see that they get to Social Services promptly.

### **CALL TO ACTION**

The United Methodist Churches of the Baltimore -Washington Conference have been asked to create goals for their churches and present them to the annual Charge Conference on October 22, 2011. FUMC currently has a small group of men and women who are developing goals in the areas of worship, evangelism, small groups, children and adult ministries, mission, stewardship, and pastor and lay leadership. We are reviewing the SWOT analysis that Pastor Jen distributed to a number of congregation members to fill out about the church. If you are interested in helping complete these goals that will help our church and the Kingdom move forward, please feel free to attend any of the meetings below. After the goals are created they will be brought before the church council for approval and then to the congregation:

October 9<sup>th</sup> from 2:00-4:00 p.m. Lay and Clergy Leadership
